

# LUNCH & LEARN PRESENTATION

Join us for a special presentation on programs to support entrepreneurs and start-ups.

**Scientific Research & Experimental Development (SR&ED) Program**  
Learn more about this tax credit program in Canada  
Hosted by Ahmad Atoui, Canada Revenue Agency (CRA)

Ahmad is a Research and Technology Officer and Outreach Coordinator with CRA. He holds a M.Sc. in Electrical Engineering and has been with CRA since 2008 and with the SR&ED program since 2011. He worked as Application Support Engineer at Nortel for 15 years.

**Entrepreneurship Programs**  
An overview of programs to support entrepreneurs including SmartStart, Talent Edge, Voucher for Innovation, Market Readiness, and more.  
Hosted by Rebecca Tran, Ontario Centres of Excellence

Rebecca has been helping companies with their R&D tax credits strategies and initiatives. By working directly with companies and industry early in her career, she has gained and built a valuable network over the years to provide value to companies.

**Date: Wednesday, January 24, 2018**

**Time: 11 am to 1 pm**

Location: 341 King St East, Rm 625
